

North Leeds District News

July - August 2010

From the DC

Holiday time approaches with the promise of Summer Camps, for those who have them at this time, and perhaps a week or two off for busy Leaders to re-charge batteries.

Summer Camps and Nights Away generally

I hope all events go ahead successfully and safely. If you are going away, please get your NAN forms in soon. I'm away with the 10th St Edmund's and 7th St Matthew's Scout Troops from 24th to 31st July.

At the recent District Team and GSLs meeting we launched 'In Touch', the new home contact system for all meetings and events. GSLs should be passing this on to Leaders for implementation from 1st September 2010.

Annual General Meetings

On a quick reckon up, I know of around six that have happened and which have been attended by me or someone else from the District Team. Are there more on the way or have I missed some?

This year I awarded the District Shield to 7th St Matthew's for (a) their high participation in District activities (b) their re-formation of a Scout Troop, long absent from their

organisation and (c) their consistently high standard of AGM which involves the whole Group and very high parental attendance. Well done to Doug Pollock and his team.

District Directory 2010

This is long overdue but I am hopeful that we shall get it finished for publication in September, this year.

Have a good summer, whether with Scouting or with your families or both!

Best wishes, Carol

Cub County Trading Post

Congratulations to the team from 10th St Edmunds Blue pack who represented North Leeds in the County Trading Post on 26th June and were the winners after completing numerous tasks and gaining the most points. They now have the large shield for the year and each team member won a copy of A Complete Guide to Scouting Skills.
